## HAVE YOUR SAY

Would you like to see this vacant land at O'Sullivan Beach rezoned to allow for residential development?

Your feedback is sought about the proposed amendment to the Planning and Design Code, to rezone approximately 6 hectares of vacant land at Baden Terrace and Gumeracha Road, O'Sullivan Beach from Employment Zone to General Neighbourhood Zone.... See more

If it's decided that houses are going to be there, at least make them houses for low income families. We're in a rental crisis and there are so many people homeless right now.

Yet again more open land will be lost and the only people who benefit will be council, government and developers. The whole "asking us" is just to make it look like they give a shit what any of us think.
